

PRINCIPAL'S REPORT

Dear Families,

Welcome to Term 3.

We began the Term with a Student Free Day, allowing staff to attend our annual Staff Retreat. This year we headed to the coast and enjoyed watching the waves from the Henley Beach Surf Life Saving Club. In the very good hands of Mr Greg Hay, we explored our Dominican Heart through story, prayer, music, image, and reflection. Greg's gentle leadership allowed us time to consider our own story, connect with our community and interact with each other, all the while being present to the Dominican charism of joy, beauty, prayer, and service. The College Staff appreciated the day, and we extend our thanks to Greg Hay and Emma Rawlins (Religious Education Coordinator) for their work and preparation.

Our new staff joined our Little Doms who had their first day of school on Tuesday 23 July. Their teacher, Ms Stella Love along with the Director of the Junior School, Ms Cate O'Leary welcomed the 13 girls and their parents as they arrived with that mixture of excitement and nerves. It was a joyous morning.

Celebrating 100 days at school, the Year 2 Class invited me to visit their learning, which was all about the number 100! There was counting, measuring and writing, and grouping. How far can I get with 100 steps? Can I fit 100 objects into my locker? What shape will take 100 counters? The only thing was that I couldn't see any Year 2 students – I was greeted by 100-year-old women, dressed with pearls and silver hair and referring to me as "Love" and "Dear".

Congratulations to the Year 11 girls on completing the Research Project. This compulsory Stage 2 SACE subject can be gruelling but is most rewarding. The skills learnt in this course certainly set students up for success in their other learning areas. The results were most pleasing with 91% of students receiving a grade within the A or B bands; success which can contribute towards their ATAR in 2023. Outstanding!

Tonight, I will be most pleased to introduce the Fete Ambassadors to the many parents who will gather for our Fete Launch in the College Hall. It is so very pleasing to have students working with parents and staff to ensure our College Fete for 2022 is exceptional. Thank you to all those families who have made their \$30.00 contribution, signed up as a conveyor, or responded to an invitation to make donations.

I invite you to consider completing a survey on student wellbeing and learning being conducted by Catholic Schools Parents Australia. This national research is based on a survey that should only take about 10-15 minutes to complete and will remain open until 31 August 2022. [CLICK HERE](#)

WELCOME NEW STAFF

I am very pleased to welcome to the College the following new staff, pictured from left to right above:

- **Mrs Nicola (Niki) Sulzberger** - Junior School Music
- **Mrs Erica Cristancig** - Daily Administration Officer
- **Mrs Courtney Chymko** - Human Resource Manager
- **Mrs Rosemary Dubiel** - College Accountant
- **Ms Junyan (Eudora) Yang**
- Secondary Mathematics & 9B Class Teacher
- **Mrs Eva Gardner** - Student Counsellor & International Student Coordinator (not pictured)

Throughout August, the Feast of St Dominic is celebrated across the world. Over the next few weeks, we will have our own celebrations and attend events at Blackfriars, St Mary's and Cabra in solidarity with our Dominican family. Prepared by Genevieve Taheny (Liturgy Coordinator) and Emma Rawlins (Religious Education Coordinator), we are looking forward to celebrating Mass with the Dominican Sisters of North Adelaide, members of the College Board and representatives from Dominican schools on Tuesday 9 August. The theme of our Mass is **"Solidarity with Dominicans in War torn Countries"**. All students and staff have been invited to reflect on the many Dominican communities and their crests. We will choose a crest and compose a **message** of hope, support or **affirmation** to the Dominicans in a particular challenging situation.

In closing, I am most pleased to share with you that Priyanjoli Ghaley in 8G is slowly recovering in hospital. Priy is well supported by a wonderful medical team and has moved to a ward where she continues to gain strength and heal. Let us give thanks for this wonderful news and keep Priy and her family in our prayers as they navigate a long path to recovery. On behalf of the Ghaley family, I extend my thanks for your prayers, well wishes and kindness.

Dr Helen Steele
College Principal

PRAYER & LITURGY

On my solo sojourn to Normanville in the holidays I stumbled across this little church and its very extensive grounds. St Peters Church was opened on January 1, 1858. Mass was at 10:30am on the third Sunday of the month – perfect.

I didn't know if there would be three people or 30 attending, but there was over 60 people there – some visitors from Adelaide on holidays like me. The church was warm with split system heaters and to my absolute delight Fr Tom Gleeson was presiding in his trademark bare feet.

I had spoken to a friend earlier in the holidays about how much we value a good unpacking and indeed a new interpretation of a Gospel story when we attend Mass. This I got at St Peter's.

Luke 10:38-42

Jesus came to a village and a woman named Martha welcomed him into her house. She had a sister called Mary who sat at the Lord's feet and listened to him speaking. Now Martha, who was distracted with all the serving said, 'Lord, do you not care that my sister all by myself? Please tell her to help me.' But Jesus answered 'Martha, Martha', he said 'you worry and fret about so many things and yet few are needed, indeed only one. It is Mary who has chosen the better part; it is not to be taken from her.'

Fr Tom pointed out that there were over 613 laws to obey in the Jewish faith. Martha was hell-bent on carrying out the female obligation of hospitality and serving. Nothing wrong with that, but Mary was taking on the role of discipleship in being totally attentive to Jesus. Jesus is inviting them both into LOVE – not so much law.

Fr Tom used the opportunity of this story of two women to reiterate the very important role that women have in contributing to the church – something that was being debated at the Plenary Council in Sydney that very week.

On Monday the staff attended their annual Retreat facilitated by Mr Greg Hay. It was a chance for all staff to pause and consider the Dominican charism in which we work and among many of the very worthwhile activities we examined some significant scripture pieces involving women. In all of the stories we see the transfiguring acceptance of Jesus towards women in all kinds of situations.

LITURGY COORDINATOR

2022 NON-GOVERNMENT SCHOOLS CENSUS

Each year, St Dominic's Priory College participates in the Non-Government Schools Census data collection as required under the *Australian Education Act 2013*. The annual Census collections information about:

- Student numbers
- Students on a visa
- Students with a disability
- Indigenous Australian students

The data collected is used to inform the Australian Government and the Community about Australian Schools.

Please review the 2022 CENSUS PRIVACY NOTICE [CLICK HERE], which provides information on how personal information collected in the census is used.

Ms Tania Rogers
BUSINESS MANAGER

NEWS FROM THE LEADERSHIP TEAM

DEPUTY PRINCIPAL

Welcome to Term 3. We have certainly hit the ground running. A particularly warm welcome to Ka Hei (Helen) Pham, who is new to the College and joins 10G. Helen has been in Adelaide since February, arriving from Hong Kong. She has a relative at the College in 5B and so far, is enjoying Adelaide as her new home.

It is difficult and rewarding being a parent. There is often a push and pull. In my role as Deputy Principal, I have the great privilege of meeting many parents and supporting some families in times of hardship. I would like to share some of my observations and conversations which reflect our parent community and their varied experiences, just in this last week.

LITTLE DOMS PARENTS

We were delighted to welcome our youngest students to the College this term. It is enjoyable to hear the laughter and squeals from our almost 5-year-olds. Our new and precious Little Doms girls had their very first day of school as a Transition Reception girl last Tuesday. They were welcomed by many people, namely their teacher Mrs Love.

Our nervous, proud, teary Little Doms parents have been planning for this day, for some weeks. They meticulously labelled every item of clothing, purchased the new and overpriced lunch box and drink bottle, and had the surprise in the car, ready to pass over at pick up. In the weeks leading to school, there were those reassuring conversations. At drop off, parents pointed out the toilet block yet again and reminded their daughter to drink water during the day, to have fun, and to speak up if unsure. These mums and dads exited the gates, with their final words of 'Have a great day! I love you!', all while fighting back their tears of love and pride. They now move on to the next milestones, having had their daughter successfully complete almost two weeks of school.

YEAR 7 PARENTS

Fast forward, by now our Year 7 parents have completed a few loads of washing after the Year 7 girls began Term 3 with a workshop run by Enlighten Education, before heading off to their Year Level Camp at Woodhouse Activity Centre. From a school perspective, it is excellent that we have been permitted to reinstate camps. Before the washing returned in hand with their exhausted daughter, our parents were helping pack her bags. This, all while having reassuring conversations for those girls having their very first camp experience at St Dominic's. And we can't forget navigating the Rapid Antigen Test (RAT) on the morning of camp, before bidding your daughter farewell for three days. Well done to these parents!

The stories and memories the girls have brought back with them are heart-warming (silly acts at the Talent Quest, an entertaining quiz night, getting stuck in the mud, eating treats and chatting to friends when it was lights out and bedtime hours ago). In this context of a residential camp setting, each girl is able to continue her learning; by fostering independence, strengthening existing relationships, building new friendships, and all while having a break from technology - no laptops, no TVs, no phones, and no iPads.

DATES FOR THE DIARY

The online world continues to filter into the real world. More and more, schools are dealing with matters that tend to unfold after hours or outside of school, when a young person is engaging in several social media platforms.

The eSafety Commissioner has a range of free parent webinars approaching. These are aimed to up-skill parents in areas of:

POPULAR APPS: LEARN ABOUT TIKTOK, INSTAGRAM, SNAPCHAT, AND YOUTUBE

Tuesday 16 August 7:30 to 8:30 pm

Thursday 25 August 12:30 to 1:30 pm

ONLINE SEXUAL HARASSMENT & IMAGE-BASED ABUSE

Learn how to minimise risk and to deal with online sexual harassment and image-based abuse, should you be confronted with this:

Monday 5 September 12:30 to 1:30 pm

Wednesday 7 September 7:30 to 8:30 pm

YEAR 12 PARENTS

Vastly different, at the very same time, last week our Year 12 parents were supporting their girls through mid-year examinations. What does this look like? This looks like consoling nerves and some tears too, delivering a steady stream of snacks to the Study (or the dining table that has been taken over), encouraging routine, and turning a blind eye to the bedroom that seems to have grown its own post code.

Whether doing the mundane tasks of washing or packing the lunchbox, relishing in moments of joy, consoling tears or simply being present, the role parents play in their children's learning and social emotional development, some would suggest is the most important relationship. Consistent experiences with family members and namely parents help the girls, regardless of their age, to learn about healthy relationships. Each girl can explore her emotions in 'predictable' interactions. Parents also act as a constant when those 'unpredictable' interactions surface. These tend to be a result of peer-to-peer interactions or factors in our external environment, which are beyond our control. Our joint role is to ensure security, safety and to provide boundaries, exposing the girls to new experiences when the time is right.

We thank parents for their continued perseverance and for trusting and working with us, whether you are supporting your daughter through; her firsts, her in-between experiences, or her lasts. It is difficult and rewarding being a parent. There is often a push and pull and we are in this together.

Ms Muriel Noujaim
DEPUTY PRINCIPAL

CSPA 2022 PARENT SURVEY

CLOSES 31 AUGUST

HAVE YOUR SAY

Catholic School Parents Australia is listening.

Catholic School Parents Australia (CSPA) acknowledges the funding received from the Australian Government to support this work.

Have your say on what matters regarding the wellbeing and learning of your child.

For example, has COVID or your partnership with the school affected your child's wellbeing and learning?

If you are a parent or carer with a child in a Catholic school, CSPA would love to hear from you.

Click on the survey link and share your feedback to assist CSPA in reporting to the Federal Government and Catholic education.

Your feedback will remain anonymous.

NEWS FROM THE PRIMARY SCHOOL

YEAR 1 CLASS REPORT

LEARNING ABOUT FOOD

Term 3 will engage the Year 1 girls in learning about food in a range of ways. We will be investigating healthy foods, inquiring into life on a farm, using a range of techniques and processes in visual art to represent fruits and vegetables as well as learning about the properties of foods, for example that some foods can change in state. We will be 'Mini Master Chefs' for a day and have the opportunity to share with the class, a recipe that we have cooked ourselves at home.

In the very short time we have had a school this term so far, we have set up our own Pizza Shop and made our own pizzas! Having a Pizza Shop in our classroom enables us to engage in learning in a range of areas including Maths, Oral Language, The Arts, Health, Italian and Technologies. The girls have enjoyed role playing in the shop and creating pizzas to serve customers, problem solving by inventing new menu items, taking orders on note pads and calculating totals for paying customers. It really has been a hive of activity to start our unit of work this term and we look forward to all the learning to come.

Mrs Tes Rodrigues & Ms Mel Lehmann
YEAR 1 CLASS TEACHERS

SOME WELLBEING TIPS FOR STAYING HEALTHY DURING WINTER

- **Eat a well-balanced, low-fat diet** with lots of fruits, vegetables and whole grains. Choose a diet that's low in saturated fat and cholesterol, and moderate in sugar, salt and total fat.
- **Don't smoke, or if you do, try and quit.** Your GP or support groups can help you with this.
- **Be active.** Healthy movement may include walking, sports, dancing, yoga, running or other activities you enjoy.
- **Stay in touch** with family and friends.
- Learn to **recognise and manage stress** in your life. Some signs of stress include trouble sleeping, frequent headaches and stomach problems.
Good ways to deal with stress include regular exercise, healthy eating habits and relaxation exercises, such as deep breathing or meditation.
- **Get enough sleep** and rest. Adults need around eight hours of sleep a night.
- **If you feel unwell, please stay at home** and get tested for COVID-19. Even if you don't have COVID, stay home until symptoms have gone.

Mrs Sally Hermel
WORKPLACE HEALTH & SAFETY COORDINATOR

If you are
not willing to

help you.

If you are
DETERMINED to
learn, no one can
stop you.

GROWTH MINDSET FROM NEGATIVITY TO DETERMINATION

Changing your Mindset

Research suggests that determination is as important as intelligence in achieving goals and accomplishing success.

Your natural talents may give you a head start, but your determination will take you over the finish line. Use your determination to transform what you have into success.

Learning new skills are challenging, determination is about remaining focused on the goal. It is important not to let setbacks stop you from reaching your goals.

DETERMINATION helps you keep going regardless of obstacles you face. With determination, failure is just a diversion. It's not an end!

Gala Day

Thursday 11 August 2021

Gala Day is fast approaching as students leaders come together to plan for the big event on Thursday 11 August. This day is an opportunity for students to take part in fundraising for charities and celebrate our community. It is also a day of relaxation, eating, drinking and entertainment provided by the Games Stalls, Fashion Parade and Talent Quest.

The 2022 Gala Day Theme is **THE ARTS!**

Students are encouraged to dress as a movie character, singer, famous actor or something creative that comes to mind when thinking of **THE ARTS**.

****Parents/Guardians are advised that students are asked not to hire elaborate costumes for this event. The idea is to have fun and dress up in simple and creative ways.****

On the day, each class will hold a Food or Drink Stall, and/or a Games Stall. In addition, all students can enter the Fashion Parade held in the Gym. This is followed by a Talent Quest, with students from Reception to Year 12 taking part.

Students are also asked to contribute \$4 each from now until Gala Day. SRCs will collect this during Class Period. This allows students permission to abandon School Uniform, entry and entertainment by the way of the Talent Quest and Fashion Parade.

Gala Day continues to be a student and staff only event.
COVID-19 health guidelines will be adhered to on the day.

Ms Claire Ward
STUDENT LEADERSHIP COORDINATOR

SUPPORTING

CHRISTMAS PARTY FOR SPECIAL CHILDREN: The biggest event of their kind in Australia for special needs children and their families.

MND SOUTH AUSTRALIA: Supporting people with Motor Neuron Disease (MND), and their families, by undertaking vital research to find a cure.

CHILDREN'S CANCER FOUNDATION: Supporting childhood cancer research and clinical trials, as well as patient care and family support programs.

MARY POTTER HOSPICE: Highly regarded provider of in-patient palliative and end of life care with compassion, dignity and love.

PRICES

Prices for food, drinks and activities will vary from 50cents to \$5 for larger items.

Food Stalls will include various hot foods, recess and lunch options

Years 7-12 Talent Quest
Jnr Primary Talent Quest

NEWS FROM THE SECONDARY SCHOOL

YEAR 12 COORDINATOR'S REPORT

NEWS FROM YEAR 12

August has only just begun but our Year 12 girls are on the home stretch in terms of their academic year. There are ten teaching weeks remaining for them after the current one. Whilst this end point may be a source of relief for some, others may feel a heightened sense of apprehension as final assessments approach and November SACE Examinations appear on the horizon. More than ever, this is the time for our girls to tap into their support networks, seek that extra help they need from a teacher, lean on a friend or be the one to offer support to a classmate who needs it. The cohesion and renewed sense of shared purpose developed on our **Year 12 Retreat** will hold the girls in good stead in this final part of the year.

Term 3 offers our most senior students an eclectic mix of experiences; academic fine tuning, future pathway decisions making and a **Pastoral Care Program** that aims to support the holistic wellbeing of the girls.

Week 1 saw **Mid-Year Examinations** undertaken; an important step in preparing our girls for the rigour and mental approach required to successfully complete the end of year exams. Mid-year examinations can serve to affirm a students' diligence in preparation for an exam, or act as a reminder of the need to refine exam study strategies. Increasingly, SACE examinations are moving online; so a number of staff invested time in preparing an electronic mid-year examination to replicate the SACE examination experience for their students.

NO EXAMINATION IN A YEAR 12 SUBJECT?

If a subject's assessment scheme does not include an examination, it will still have a 30% component assessed by SACE in the form of an investigation, a performance, or a folio of work. Completion of these long term tasks often takes place in Term 3 and although they test students in a different way to an exam, they are no less imposing for our girls.

FUTURE PATHWAYS

A large focus in the Pastoral Care sessions remaining this term will be guiding and assisting girls as they work their way through the process of formalising their 2023 pathway, whatever form this may take. Applications for 2023 tertiary study opened on **August 1**.

In Pastoral Care we offer one on one time to assist students in selecting and ordering course preferences as well as navigating the online application process. More details can be found at:

Students in Year 12 - SATAC

TERTIARY ENTRY USING YEAR 11 RESULTS

Both Flinders University and the University of Adelaide are offering graduating students the option of gaining entry to selected courses using their Year 11 results. Details can be found by following the links below:

Year 11 Entry Pathway | Study at Adelaide | University of Adelaide
Year 11 Grades Admission Pathway - Flinders University

COMMUNICATION

So as our Year 12 girls embark on the final phase of their year, I would like to take this opportunity to encourage all parents to contact Year 12 Subject Teachers, Class Teachers or myself should you wish to discuss any aspect of your daughter's academic and emotional / social wellbeing.

Greg Larwood
YEAR 12 COORDINATOR

NEWS FROM TEACHING & LEARNING

RESEARCH PROJECT REPORT

RESEARCH WITH FLYING COLOURS

The SACE Year 11 Research Project provides the opportunity for students to research a topic of choice in depth, learning vital research skills and developing personal capabilities along the way. It has been a fascinating and rewarding learning opportunity for students and teachers alike as this year the timetable was restructured to complete the Stage 2 subject in one semester, rather than across three terms. This naturally created challenges in time management and meeting deadlines, but ultimately gave students the opportunity to remain focused on their topic and has elicited some amazing individual research.

The creativity of the students, and the breadth and width of research topics chosen was truly astonishing, with many contemporary and controversial topics influencing students' choice. Students have a choice in how they present their research, with many showcasing findings in a multimodal format with creativity and flair, in addition to the more traditional style report.

SACE released the results last week which were very pleasing with all 72 students passing, and a high percentage awarded scores in the A band. Towards the end of the year Merits will be awarded and we remain hopeful that some students may also receive this acknowledgement.

I would like to thank the work of the talented and dedicated team this year with Ms Jo Riccio, Ms Fiona Greig, Ms Tina Caruso and Mr Greg Larwood supporting students so diligently ensuring the successful completion of the subject for all students.

I am a firm believer in the skills that the Research Project develops and feel confident that the Year 11 students will be well equipped to face the challenges of Year 12, and beyond.

NEWS FROM PARENTS & FRIENDS

Welcome back! We trust you all had an amazing holiday and have plenty of stories to share with your teachers and friends.

A special HELLO to the "Little Doms". Please keep an eye out for our newest students as they adjust to navigating a much larger environment. It has been a pleasure to collect my Little Dom and see all the new faces, both children and parents alike. Congratulations first time "school" parents - we are one week down!

Personally, it is a new era for our family and let me tell you, it has been met with mixed emotions. Glad we can drop off to the one location – a huge plus. Super happy that our daughters are together and happy, yet sad that we no longer have any "babies".

What do we all think about the improved, painted and signposted wall? Looks very nice – well done St Dominic's. If you have anything you would love to talk about in person, any ideas for improvements etc then please join us at our next Parents and Friends Meeting Thursday 11 August at 7:30pm in the Conway Library. See you there!

10am - 3pm

SUNDAY
30
OCTOBER

SUPPORT YOUR FETE

We look forward to welcoming parents and guardians to tonight's Fete & Auction Community Launch, where the plans for this year's event will be unveiled and our growing team of Parent Stall Convenors, introduced.

PARENT-CONVENED STALLS

The following stalls are convened by families in the College Community. Whilst all stalls will benefit from additional support from our parents, stalls marked with a * are in need of a Convening Team.

Asian Foods	*BRACELET & JEWELLERY MAKING	
BBQ	Book Stall	Cakes
Chocolate Wheel	Craft Stall	Desserts
*DRINKS	*HAIR ART	Ice Cream
Lucky Dip	*POT PLANTS	Rose Cafe
Sri Lankan / Indian Food		Sweets
*PRODUCE STALL		
- Jams & Preserves		
- Fruit & Vegetables		
- Packet & Canned Goods		

To find out more about what is involved, and how you can help:

CONTACT

Karen Schaumloffel – kschaumloffel@stdominics.sa.edu.au – 8331 5100

WEEKLY STALL APPEALS

The success of the Fete is reliant upon the contributions of the College Community. On specific weeks, a different Fete Stall will have an appeal for donations. We encourage you to support these Appeals:

WEEK 7: BOOKS STALL

(secondhand books)

WEEK 8: SWEETS STALL

(packet of sweets)

WEEK 9: CHOCOLATE WHEEL

(wine & chocolates)

WEEK 2, TERM 4: CAKES STALL

(fresh-baked goods)

STALL APPEALS
VOLUNTARY \$30 DONATION

Families are asked to consider contributing a monetary appeal (\$30) per family. This will go towards the setup costs of each Fete Stall.

Donations can be sent in a sealed envelope with your eldest daughter. Please ensure the envelope is clearly marked with your family's full name. Electronic donations can also be made by visiting the College Finance office or by phoning 8331 5100.

Please finalise your donation by: **FRIDAY 19 AUGUST (Week 4)**

CRAFT STALL

We are calling on the community to donate craft items for our Fete.

Handmade Jewellery	Linen Press items
Canvas Art	Stationery Art
Children's clothing	Crochet & Knitted items
Candles / body products	Hair Accessories
Christmas Decorations	Handmade Dolls / Bears / Toys
Zip Purses, Bathroom Bags, Tissue pack covers, pencil cases, tote & Library Bags, Bunting & Banners etc.	

CRAFT TEAM CONTACT:

POT PLANTING MORNING
9AM SATURDAY 27 AUGUST

Year 12 Centre

Green thumbs of all ages welcome!*

*Children must be accompanied by a parent/guardian

AUCTION APPEAL

SILENT AND LIVE AUCTIONS

We are seeking donations from families, friends and businesses of:

TVs + other electronics	Whitegoods
Vouchers	Gift Packs
Cosmetics + personal care	Jewellery
Designer products ie handbags	Rare Antiques + Memorabilia
Furniture	Rare Books
Custom Artwork	Travel Packages + Tours

CLASS HAMPER DONATIONS

Thank you to all families who contributed to the 2021 Class Hampers - these have been stored and will be used this year.

AUCTION COMMITTEE CONTACT:

Emilia Pace – emilia@whoyou.com.au – 0400 206 204

STUDENT FETE AMBASSADORS

Thank you to the dedicated and enthusiastic students who form our team of Fete Ambassadors. Responsibilities of their role include:

- Promoting Fete with peers and family members
- Providing practical support to staff in the lead up to Fete
- Willingness to attend lunchtime meetings when scheduled

NEWS FROM THE SPORTS FACULTY

SPORTS COORDINATOR'S REPORT

ATTENDANCE REMINDER

Sport has been very difficult to organise with the illnesses of coaches, staff and students. **If your daughter is unable to play please ask her to let me know via email lp Pratt@st dominics.sa.edu.au** and then she can do her very best to find a replacement.

Only as a last resort will we forfeit a team as this is really unfair to other players. If your daughter is not currently playing a sport and would like to fill in for the last few games of Soccer, please let me know.

Mrs Lyndall Pratt

STATEWIDE NETBALL

The Year 6 Netball Team competed in Round 2 of the Statewide Schools Netball Competition recently, playing matches against St Columbus and Golden Grove Primary School.

The girls displayed teamwork, skill and sportsmanship to win the first match against St Columbus 40-7. The second match against Golden Grove was a hard-fought match, with Golden Grove dominating in the first half. St Dominics had an excellent third quarter, trailing 20-19 at three-quarter time. Intercepts in defence and accurate shooting ensured that St Dominic's finished with a victorious 24-22. The team now advances to the final round on Tuesday 30 August.

The competition commenced with 69 teams and St Dominics are through to the final 6, which is an outstanding effort!

Mrs Michelle Richer
JUNIOR SCHOOL SPORTS

CONGRATULATIONS ZASHKA!

Congratulations to Zashka Gunson (10W) who competed in the **Victor Oceania Para Badminton Championships** in Melbourne on the weekend of 29-31 July.

Against international competition, Zashka won Bronze in both the Womens Singles and Womens Doubles events! What a tremendous result - well done, Zashka!!

BLUE ROUND 6 AUGUST 2022

The SACSSGSA Blue Round is to promote Mental Health awareness in our schools and community.

Teams come together to play, compete, and do their best. Make time to check on your teammates, classmates, family and friends - How are you, are you ok? How are you going?

Blue round is not about being the best player in a team, it's about being the best teammate you can be. It's about encouraging and caring for your friends and going that extra mile to make everybody feel included and valued.
