SAFEGUARDING CHILDREN AND YOUNG PEOPLE POLICY

1. INTRODUCTION

The Safeguarding Children and Young People Policy applies to all staff members and volunteers working within St Dominic's Priory College and exists to uphold the principles set out in relevant legislative and organisational obligations. St Dominic's Priory College has zero tolerance to children and young people coming to harm of any kind. The rationale for this policy is the belief that a safe, supportive, inclusive and positive environment, where each child and young person is valued and respected equitably, underpins a student's capacity for learning. This maximises potential for personal and social development, ultimately enhancing wellbeing and life opportunities. We acknowledge that being safe and supported at school is essential for student wellbeing and effective learning.

St Dominic's Priory College is committed to providing safe, supportive and respectful teaching and learning communities that promote student rights, safety and wellbeing, including compliance with child protection obligations mandated by legislation including, but not limited to, the *Child Safety (Prohibited Persons) Act 2016*, *Children & Young People (Safety) Act 2017*, the National Principles for Child Safe Organisations, the United Conventions on the Rights of the Child, and Church teachings.

We recognise that students' spiritual, psychological and physical wellbeing is paramount and that every student has a fundamental right to a safe school environment and protection from harm and the risk of harm.

This policy is supported by the following;

- 1.1 Safeguarding Children and Young People Code of Conduct
- 1.2 Safeguarding Children and Young People Commitment Statement
- 1.3 Safeguarding Children and Young People Committee Terms of Reference

2. PURPOSE

College staff, volunteers and Catholic Church personnel are required to be committed to creating and maintaining a child safe institution that fosters positive and safe cultures, adopts strategies and acts to prevent harm to children and young people.

The purpose of this policy is to ensure that St Dominic's Priory College adheres to all Safeguarding Children and Young People policies and procedures. This supports an organisational culture to both:

- 2.1 Safeguard against the risk of harm; and
- 2.2 Respond effectively if harm is suspected or confirmed.
