Web Site: www.stdominics.sa.edu.au

Dear Parents,

Re our shared responsibilities. How would you rate yourself?

When you enrolled your daughter at St Dominic's, together we took on board mutual responsibilities. Trying to be on the 'same page', for both parties, can be quite tricky in our busy lives. The following three points are worth checking. If you fare well, and you join us at the QUIZ NIGHT we thank you for doing your share and more!

- The most regular communication we have is via the **College Bulletin**. Each week we include a reply slip on the back page of the Bulletin. We require and appreciate a signature from you to let us know that you have received this important communication or have read it online. It helps to know that all the work which teachers, students and parent committees put into our weekly communication with you is received and read. We also assume that if your daughter does not return your signature you would want to know. If you have more than one daughter at St Dominic's please feel free to sign once, and add on the reply slip the names of your other daughter/s for her class teacher's sake.
- Here at school we feel a responsibility to assist you when your daughter tells us that some part of the **uniform** you have paid for is missing. At our end we will try to track things down. At your end please ensure that each of the uniform items is labelled.
- Lastly in the spirit of shared responsibility for your daughters we request that if you are giving your daughter permission to go to spend time in **the city** for a specific purpose and a limited time in our College uniform especially on a Friday afternoon you let us know via your daughter's College Planner. Our experience is that "hanging around" in the city is not in the interests of student well being or safety. If you wish your daughter to be in the city for an extended period she should be wearing her **non school clothes**.

Launching the Vinnies Winter Appeal. Give Hope. The Power to change lives is in everyone.

In line with the Parishes this year we are together launching the St. Vincent De Paul Winter Appeal. Yesterday students from our middle and senior school Vinnies group addressed assemblies to remind us all of the high level of need in Australia and in our own State. Your daughter has information around the items which are needed, especially blankets and warm clothing as well as nourishing non-perishable food. Please support the many who are in need.

Gala Day Success

We are pleased to announce that the community **raised \$7000 on Gala Day!** On Monday the SRCs met and decided the split would be shared as follows;

- **Share the Dignity** will receive \$1900
- **Backpacks 4 SA Kids** will receive \$1900
- **Lumos** will receive \$500
- **Christmas Party for Special Children** will receive \$300
- **Dare 2 Dream Foundation** will receive \$1900
- **St Dominic's Priory College** will receive \$500 to cover some of the costs associated with running a Gala Day.

Again, a big thank you to all involved, particularly the Student Representative Council (SRC), Staff and families in supporting this annual event.

Quiz Night

Time to make a table with other parents, friends and relatives for Friday May 31. You do not need a full table to participate - we will seat you in groups of 8-10. More information is available on the back page of this Bulletin, or you can follow our event page on Facebook. Tickets are available at the Accounts Office or online here:

<https://stdo.ms/Quiz19>

Condolences

Our prayers and sympathy are extended to staff member and Old Scholar Georgina Fenton and her family in the recent sudden passing of her Father Richard Humphrey, husband of Patricia Humphrey, and Father of Bernadette Humphrey. May the family be comforted in their sorrow through our prayers and support. May Richard's soul rest in peace.

Sr Jillian Havey, Principal

!!STOP PRESS!! AFL Auskick Superstars

This Saturday we have over 45 students from across Rec - Year 7 playing during half time at the Crows vs Eagles game. The girls are very excited to be playing at Adelaide Oval and we wish them well.

Primary News

from Ms. Cate O'Leary
Primary School Coordinator

"Ambition: There's no route to success,
so keep your options open"

Last week our Year 3 and 5 students completed LNAPLAN with a 100% participation rate. We encourage all our students to give it a go and certainly try to keep the environment calm and encouraging for them. During this quite challenging process they had a positive attitude, participated actively and tried their best.

Thunder Cup Netball: Four teams across Years 4-6 had their first game last Thursday. We had 1 win and 3 losses. We encourage all our students to play regardless of whether they have played before and develop their game and team work skills.

Auskick and Year 6/7 Footballers: This Saturday we have over 45 students from across R-7 playing during half time at the Crows vs Eagles' game. Participating students should have received a letter with times and requirements for the day. The girls are very excited. We are grateful for the support with supervision from our parents and hope the weather is kind to us. Go Crows!

Quiz Night: There is a saying 'the more the merrier' and that certainly helps create an interesting atmosphere for our quiz night. Have you booked a table yet? It is not too late. Great prizes and good community building with other parents and friends.

Wellbeing: In Week 3 and 4 all classes will focus on **active listening techniques** and how we show active listening to others. Some areas we will focus on: is to acknowledge the worthiness of the other person, to establish a basis for further discussion, to encourage the other person to keep talking, to get more information and to help the person evaluate their own feelings.

Congratulations to Tania in Year 3 and her family, who became Australian Citizens recently.

Tania is pictured here with her Citizenship Certificate.

Celebrating the Sacraments

Emma Smith recently made her Confirmation in her Parish at Sacred Heart Church Semaphore.

Year 3s at Monarto Zoo: Year 3s spent the day at Monarto Zoo on Monday 20 May. We learnt about animal habitats and shelters. We had lots of fun building our own shelters out of anything we could find in the area we were in. Our shelters had to fit our group inside, have easy access, protect us from the weather and keep us safe and hidden from any 'predators'. We had to work together as a team to get our cubbies built in the time we had. We then toured the zoo on our bus and got to see animals such as lions, chimpanzees and giraffes. A special thank you to Mrs Heggs and our parent helpers Shelly, Antonia and Daisy who came along to help out.

Condolences: Please keep in your thoughts and prayers Mrs Georgina Fenton, whose father passed away suddenly on the weekend.

Parent Engagement: We were very proud of our Year 1 Class at last Friday's Morning Mass in the Chapel. This special celebration was for their mums and grandmothers. The girls were very focussed, reverent and enthusiastic. The recessional song sung by the girls to their mothers meant there were very few dry eyes. We thank Mrs Anna Sordillo for her support and enthusiasm with all the music preparation for Primary masses. We also enjoyed the chance for a catch up after the mass at morning tea. We also thank Father Ben who always talks genuinely, encouraging the girls through the mass and engages the students during his Homily. Thank you to all the parents who attended and were later able to join us for our morning tea.

The **Reception Class** have a fabulous morning organised this Friday for their mums, grandmothers and others. They will have a class liturgy followed by a special pampering and makeover. Some mums will be leaving school very colourful! Thank you Miss Delloso for making this a very special day for our mums.

Our Assembly next week will be hosted by the Reception class. 2:30 in the Hall. All welcome.

In and around the classroom:

Music with Mrs Sordillo!

Music lessons with Mrs Sordillo are one of the highlights of our week in the Reception class. We have been exploring elements of music including rhythm, pitch and dynamics through singing and playing instruments. Here we are with instruments including tapping sticks and triangles.

RECEPTION

Student Leaders Gathering

On the 13th of May, students with leadership roles from years 11 and 12 travelled to St. Aloysius College to participate in a Student Leader Gathering, run by the Catholic Office for Youth and Young Adults. We learnt what it means to be leaders and how we can positively influence our community and the broader world through initiatives established at school, supporting issues such as mental health, women empowerment and homelessness. The experience inspired all attendees and we are excited to pursue the possibilities of supporting those around us, incorporating the Catholic Social Teachings and more directly, our Dominican values. We thank Mrs. Sossi and Sr. Hieu for accompanying us.

Maeve Moore, 12W and Isabella Haddad, 12B

Year 11 Physics Powered Girls

Last week the Year 11 Physics girls presented their Science as a Human Endeavour project to the Year 10 girls. The Year 11 girls presented great innovative ideas in the field of Science and how Physics is an integral part of the Scientific world. The year 10 girls had the opportunity to ask questions and have an insight into the subject of Physics from the Year 11 girls.

Mrs Nafiza Begg

National Youth Science Forum

Founding Partner

Are you in year 11? Love science? Thinking about going to university? Looking for a job that will take you places? Enjoy meeting people?

Apply for the National Youth Science Forum (NYSF) – a 12 day residential program held each January for students entering year 12.

To be selected you need to be passionate about science, technology, engineering and maths (STEM) study. Participants come from across Australia. Expressions of interest are accepted from 1 March–31 May each year.
