Matilda the Musical

A large number of you, together with friends and relatives, enjoyed as I did, every entertaining moment of last week's brilliant performances of, 'Matilda the Musical'. Comments I heard included the following: "Apart from being so entertaining and funny, and so well acted, it was so professional." "The choreography was breath-takingly precise and so confident." An incoming email congratulated the Director and Production Manager on the, "brilliant casting". That was true I think for every role, major and minor. Brilliantly again, the final perfect humorous touch comes towards the end of the show when the Russian mafia arrive with their exceedingly authentic sounding boss!

Behind every talented actor there is an immense amount of work in preparing the songs, the sets, the back stage work and, of course, all the front of house marketing which begins in an admin office and ends outside the Hall where the last tickets were sold before the show. It has been a huge and highly successful undertaking and we curtain call all involved, with special congratulations to Jessica Spagnuolo Director, Production Manager Victoria Sayner, and Music Director Courtney Day. **Please take our thanks and our prayers with you, Mrs Day, as you prepare for the birth of your child.**

Year 7 Shared Lunch: The photo below shows our Year 7 cohort about to tuck in to the wonderful range of luncheon... provided by the students' own culinary efforts and some very supportive

Mothers. It does not seem so long ago when 7s were just starting out in their new environment. Now they are at home and

at ease. Well done Year 7s.

Reports: Your daughter's school report

will go home on this coming Friday. Year 6 to 10 parents, please take time to read the accompanying circular on understanding the numbers in the MYP grading system, which are still new to many parents. We expect that, if you are going away, you will have some member of your family pick up your daughter's report no later than early in the first week of the holidays.

Vinnies Appeal: Thanks to all As ever the response to the annual appeal has been very strong as we take up our duty to help those who are struggling to keep a roof over their heads, and their children fed as well as those who are, sadly, homeless.

A Holiday Prayer: Here is a beautiful holiday prayer which was chosen for this week's Prefect's meeting by one of the Year 12 leaders:

*Loving Father as we come
to the end of another term*

*We turn to you in confidence
and place any difficult relationships*

Into the healing hands of Jesus your Son.

*Enable us to leave behind any regrets or
bitterness, entrusting the past to your
mercy, the present to your love and the
future to your providence. Help us to
appreciate more the need to keep a good
balance in our lives.*

*May the holidays be for us a time of rest
and recreation to help restore us and
recreate us in your image and likeness as
we enjoy more of the love and presence of
our families on whom we ask your blessing.*

Primary News

Primary School Coordinator

'Appreciation can make a day — even change a life.
Your willingness to put it into words
is all that is necessary.'

~ Margaret Cousins

We have had a very busy week to finish a very busy term. Tonight, we are excited about our **Twilight Arts Assembly and Showcase**. The girls have been working with their teachers to present fine art work, drama, dance and musical items. We are thankful to all our students for their enthusiasm and commitment to learning and performance, and to the teachers who give a purpose to student learning by giving them a chance to showcase other skills and talents.

Karate in Year 3

We enjoyed having Mr Piotto and Pia Piotto come and teach us some techniques in Karate to give us some skills to help defend ourselves if needed. Our favourite techniques were the Snake, Butterfly and the Bear Hug. We would really like to do it again. - **Liana, Clara and Kloe**

Children's University

Thank you to all students for sending back your passports. Your hours for this term have been sent through to CU. Please see Mrs Heggs for any holiday activity tasks. This term the following clubs/activities from school qualify to be included in your daughter's Children's University passport: Running Club, Chess Club, Gardening Club, Knitting Club, Sewing Club, AUSKICK football, Crows Cup Adelaide Oval game and Thursday Night Netball.

Reception Excursion to the Himeji Garden

As part of their inquiry into Japan this term, the Reception class visited the Himeji Garden on South Terrace. This garden contains features of religious significance to the Japanese people which the girls sketched whilst enjoying the sunshine and peaceful nature of the Garden.

Thank you to our Year 6 class for their help with organising the chocolates ready for distribution to the Primary classes. Please return all chocolate money to Mrs Heggs' office by early next term.

Wellbeing Incursion

On Tuesday we had an incursion from Playground Craze. The main idea behind the performance was for us to help develop a positive Growth Mindset. Whilst we generally thought it was aimed at the younger classes we were all able to take away the very clear meaning from it. The message was to work on happiness, stand up to bullies

Antarctica Explorers Day in Year 2

On Monday our class had Antarctica Day. We had many activities and our tables were turned into the Aurora Australis Ice Breaker, Mawson Research Station and an Antarctic Snowmobile. We all enjoyed our shared lunch of chips and fish fingers. We also played find the penguins and made amazing snow domes. We thank Ms Osborne and Mrs Saint for making such a fun and special day for us. - **Daisy and Helen**

and also learning how to control our emotions. They were trying to prove a good point that is relevant to us all and added humour to keep us entertained.

- **Judy, Teagan and Chanelle Yr 5**

The Primary staff wish all who have the travel bug and are venturing away these holidays a happy, safe and healthy adventure. We look forward to welcoming our girls back in Term 3, energised and ready for the new experiences which lay ahead.

In and around the classroom:

Refugee Week Year 9 English

The 9G English class used Refugee Week as a great opportunity to undertake a service to their community by writing poems about Australian migration and displaying them to the school community to raise awareness about the evolving identity of migrants today. The doors of the library were chosen as a symbolic representation of how our doors are open to all those who choose to migrate to Australia. The poems were decorated with a stain glass effect with the interpretation of seeing beyond and through damaging stereotypes people may have about migrants today. Poems from all three Year 9 classes have also been selected to be published on the Migration Museum website, which is a great service achievement for our students.
