#### Dominican Students from Indonesia

The smiling faces in this front page photo capture a Year 8 Drama class welcoming some special visitors.

Students and staff from three Dominican Schools in Indonesia are being hosted by the Cabra College Community and are visiting other Dominican schools. We thoroughly enjoyed their visit on Monday and are sure that they did also!

Dear Parents,

#### Getting to Know you!

The two recent Parents and Teacher conversations for Years 7 – 12, held over the past week have been well attended, especially by Year 7 and Year 8 Parents. Comments to me from teachers indicate how much your presence is valued, and how helpful it is to meet those most closely associated with the girls we teach.

Friday's **GALA DAY** brings another opportunity for parents in both the Primary and Secondary school to join us in the annual Gala Day event run by our students, and supported very well by you in so many ways. Students have chosen very worthy causes to receive the money raised; including the **Dare 2 Dream Foundation** assisting projects to aid the most underprivileged children and adults in India. A homeless women's charity **Share the Dignity** is another recipient as well as **Backpacks for SA Kids**. Parents are welcome to join us for Morning Tea 11:00am–12noon and lunch and games from 1:00pm–2:00pm. Please understand that while we would formally have welcomed you in to the Hall to watch the entertainment, with our increased enrolment there is **now no room available in the Hall and this is a Health, Welfare and Safety issue for your children's safety**.

#### 2019 Quiz Night, a must for your calendar!

The St Dom's Parents and Friends are planning a really fun community night with some novel ideas for this country and western themed event, to be held on Friday 31 May.

We encourage both new and "old" parents to come along. I have heard that this year you do not even need to pack your supper as the \$15 ticket per person will include a cheese platter for each table. The aim of this night is to help build the parent community of people who come to know and value each other and meet the parents of students that are or will be part of the same journey through high school. A special note will be going home to new parents very soon.

#### Condolences

Sincere sympathy and prayers are extended to families in our community who have lost loved ones in recent days.

- To the Calleja Family in the recent passing of Victoria Calleja, Mother of Mr Charles Calleja, and grandmother of Siobhan (class of 2018) and Nadine (Year 11).
- To the Garang/Awuok Family in the recent passing in South Sudan of Mary Awuok grandmother of Akuol Garang (Year 10)

Sr Jillian Havey, Principal

AUSKICK sessions started with lots of enthusiasm for students and we thank our parents for supporting their daughters and getting involved.

### In and around the classrooms:

#### Term 2 has seen the Year 2 Class head into the icy waters of Antarctica

We have kept a keen eye out for Emperor, Rockhopper, Gentoo, Adelie and Chinstrap penguins, all who live on Antarctica or the Sub-Antarctic islands and Antarctic Peninsula.

We have also been intrigued by the adventures of Elsie, a street urchin of Victorian England, who is keenly awaiting the arrival of a recently discovered Woolly Mammoth, trapped in ice.

I have really enjoyed how Elsie has escaped from the orphanage and has now snuck into the Natural History Museum – **Adele**

The book is so intriguing I would love to have it myself to read. – **Lucy**

I really like that our classroom looks like our theme of Antarctica. – **Teresa**

Antarctica has lots and lots of Penguin that live on the ice. – **Daisy**

**YEAR 2**

Curiosity- Encourage your child's natural curiosity and watch them thrive.

**Gala Day:** The excitement is definitely building ahead of Gala Day this Friday. You should have already received a letter outlining the program for the day. Most students seem comfortable with their classes' colour theme. If you are having difficulties, please put a note in your daughter's Planner/Communication Book. Please make sure that the **\$3 fee per child** is in a clearly named envelope and is paid prior to Gala Day.

**Independence Day:** is on a Wednesday this term.

**Wellbeing:** Our Reception class have reflected on the qualities of a good friend:

**Harper:** Being kind and not excluding anyone.

**Sofia:** Playing with people you see alone.

**Emily:** Good friends like making new friends.

**Sienna:** Listening to your friend.

**Netball:** begins Thursday 9<sup>th</sup> May. We are grateful to the parents who have volunteered to coach our four teams this term: *Robbie Sutton, Sonya Muller, Phong Huynh, Trung Tran*. We also welcome *Grace Willmore* (Year 10) who will coach the Year 4 team. The program; parent, players and spectators code of conduct, and captain list have all been distributed. If you are able to score a game, please see the coach. There will be two teachers on duty each week. Good luck to everyone - let's hope we all have a good season! Remember: players are expected to be there by 4:15pm at the latest to warm up and be ready to start.

**Year 1 Chapel Mass:** 8:15am Friday 17<sup>th</sup> May. We will celebrate our mothers, grandmothers and other important women in our lives. Please RSVP to Mrs Rodrigues.

**Mother's Day** Our Mother's Day raffle will be drawn after lunch on Gala Day. 50c a ticket.

#### 10 Things I Love About My Mum

by Trina Roque Year 4

I love the way you...

- 1 ...inspire me to do my best even though I'm not always positive
- 2 ...cook me yummy foods even though I might not always show it
- 3 ...comfort me and make me laugh when I'm sad
- 4 ...help me bake desserts when I really need it
- 5 ...work hard each day + study hard each night it really inspires me
- 6 ...help other people when they really need it
- 7 ...help me with my homework when I'm having trouble
- 8 ...sing at church with the choir it sounds really beautiful
- 9 ...hug and kiss me it makes me feel really joyful
- 10 ...encourage me to do my best at golf

Congratulations to Aria Sordillo (Year 3) who was the 8yo finalist in the Calisthenics SA Championships during the holidays. She was one of 15 finalists out of 50 competitors. Aria also achieved 2 x second place and 1 x third in club competitions this season. Well done, Aria!

#### Entertainment Book 2019 | 2020

Give Mum an Entertainment Membership this Mother's Day and she can enjoy more than 12 months of valuable dining, shopping and travel offers!

Just **\$70**  
Enjoy thousands of offers for everything you love to do.

**TUCKSHOP**

#### Wednesday Hump Day Specials

Week Three:

Pasta Carbonara

\$6.00

## Poetry In Action performances

Last week Year 8, 9 and 10 students were entertained by Poetry In Action, an educational theatre group who travel across Australia demonstrating the power of poetry and spoken word. Here are a few comments from Year 9 audience members.

The performers used very engaging and enjoyable ways to show the audience the importance of poetry and speech, as well as the techniques used in poetry. They used great examples from iconic speeches and poems throughout history to convince the audience that words, when used correctly can change the world, and help us - as a society - to grow. **By Mary Castigo**

The show was very entertaining and also informative at the same time. We were able to hear different speeches said by famous people to encourage and persuade their audience, some of them being Martin Luther King Jnr and Hitler. We were taught the main three techniques that make a good speech - logos, pathos and ethos. **By Matilda Todoran**

I really enjoyed this show because they were able to incorporate historical speeches into the play's format. They were able to explain what techniques are used and how they are used in order to create a meaningful and powerful speech. It was interesting to learn just how good Hitler was at public-speaking and that he was able to change a whole nation's way of thinking and their actions to make them do something horrific, just by using words. **By Ellen Kelly**

## SPORTS NEWS

### Round 1 - Saturday 11 May

TEAM	LOCATION	TIME	OPPONENT
<b>Badminton</b>			
Middle C Blue 1	St Aloysius	8:10am	St Aloysius 2
Middle C Red 2	St Dominic's	10:10am	Sacred Heart 1

Senior C2	Loreto	9:10am	OLSH 1
<b>Soccer</b>			
Middle C	Cabra	9:40am	Sacred Heart 2
Senior C	St Ignatius	8:00am	Pedare 1

## MYP Matters

Students in Years 6-10 participate in the International Baccalaureate Middle Years Programme [IB MYP]. With its emphasis on developing self-directed learners who have a passion for taking action, the MYP sits comfortably within our Dominican school. This term, students will be undertaking learning experiences that delve into concepts such as *Identity* in Year 6 Drama; *Communication* in Year 7 English; *Change* in Year 9 Religion and *Logic* in 10A Mathematics. All students will be involved in service learning reflections and Year 10 students will be continuing with their personal project. Take a few moments to read a little more about each of these areas below.

### Service Learning

Service is both a value of the IB community and our Dominican school. Through developing a service learning culture, students can strive to be caring members of the community who demonstrate a personal commitment to service, and act to make a positive difference to the lives of others and to the environment. This term, students will have the opportunity to participate in several school-initiated service activities which either come from their curriculum or co-curricular events including Gala Day; the Musical; the Vinnies Group; Creating a Business or developing a fitness

program for a friend or relative; just to name a few. Ideally, we hope students will challenge themselves to initiate their own service actions either at school or in the wider community. Students will be writing their reflections this term, and pastoral care teachers will write a brief comment about each student's service activities in the middle years.

### Personal Project

The personal project encourages Year 10 students to practise and strengthen their approaches to learning (ATL) skills, to consolidate prior and subject-specific learning, and to develop an area of personal interest. It provides an excellent opportunity for students to produce a truly personal and often creative product/outcome and to demonstrate a consolidation of their learning in the MYP. This term students will be concentrating on finalising their product/outcome and beginning to write their final report. Do keep the 11<sup>th</sup> September (Term 3) free to come along and see what the students have produced.

**Aurora Reid, MYP Coordinator**

SDPC Parents + Friends

# QUIZ NIGHT

come along + join the rodeo...

## FRIDAY 31 MAY

7 PM FOR 7:30 START

## COLLEGE HALL

enter via 119 Molesworth St
