Facsimile: 8267 4877

Web Site: www.stdominics.sa.edu.au

Dear Parents,

Who benefits from the St. Dominic's Priory College Fete!

Socially the Fete is a big annual Adelaide community event. People come through the gates because they have enjoyed this event many times before. Others are Old Scholars, past parents and families who are wanting to enrol their children.

Financially it is a big annual boost to our school and right now we need to remember that most of your children will be the students who will enjoy the benefits of a large and expensive Building project. In 2019 the new Year 12 Centre will offer new educational facilities to our Year 12s. In addition, the Master Plan will include the establishment of an ELC and significant development and upgrades on our site.

So dear Parents, we need all of us to contribute to the overall success of this event. Every single family's support is appreciated and needed.

It is Checklist time!

This week, red monogrammed letters from Parent convenors went out as a final request to each family to give what you can in food and donation to the stalls which are run by St. Dominic's parents with the same time and energy calls on them as everyone else. Please check with your daughter that you have received or sent back.

- Art Union Raffle**
- Asian Foods** request letter
- Italian Foods** request letter
- Morning / Afternoon Tea** letter
- Sweets Stall** letter request with recipes provided
- Parent Roster**
Stalls still needing help
please see page 2 for details or follow link below

This week's appeal is a \$2 donation for the BBQ. Next week's final appeal is for baked items for the *Old Scholars' Cake Stall* and a final \$2 donation for the *Desserts Stall*. The **Auction Catalogue** will be coming home soon.

Do all students give time to help at the Fete?

Each student from Year 7 – 12 offers valued support on the stalls by donating an hour of their time. In return that are offered a **late start on Monday 30th October at 10:50am.**

Any students not assisting are expected in the Conway Library at the normal time on that day.

For new families:

What can you expect on Fete Day?

There is something for everyone. You cannot go past the Auction in the College Hall. Enjoy the bidding while you have some refreshments. We are so grateful to parents and staff who have sourced items for the Auction. One past parent has donated significantly to the school since his daughter left St. Dominic's 20 years ago.

The flyer inside this bulletin highlights some of what is available and we are asking that you take it out and post it up for us in a public place.

We have great entertainment on offer with dance, groups, Blackfriars and St. Dom's bands and much more besides.

Our last Fete Meeting is tonight at 7:30pm and we are looking forward to seeing all our convenors there.

Sr Jillian Havey
Principal

Primary News

from Ms. Cate O'Leary
Primary School Coordinator

"Don't decide that you can't before you realise that you can"

Welcome to Term 4. We were greeted with sunshine, smiles and stories of holiday adventures on Monday. Every term seems busy but the fourth term is always extremely hectic. There are many learning opportunities inside and outside the classroom, celebrations, class and whole school gatherings to look forward to. There are many highlights this term but Monday's excited discussion was based around students looking forward to the following events: **Receptions** the *Twilight Assembly* and *YMCA visit*, **Year 1** designing the *Spring collage* and making a *worm farm*, **Year 2** *Toy workshop* and learning how to *ride bikes*, **Year 3** *shadow puppet plays* and *PE Week activities*, **Year 4** the much awaited *Pyjamas Day* and their *sacramental celebration Mass* and class party. **Year 5** *Zoo Snooze* sleep over and a new initiative the *Night of the Notables*. **Year 6s** are eager to attend the *adventure camp* at Wellington and later in the term, their special *graduation night*. All classes commented they are really looking forward to the Fete and have fingers crossed for good weather.

Children's University: On the last Thursday of Term 3 our graduating students attended the ceremony at Adelaide University and all were very excited and enjoyed the experience. Any students wishing to continue in 2018 may begin recording activities in Term 4. Details will be sent home soon. New students wishing to begin CU will begin early Term 1, 2018. Just a reminder that the graduating students will have a sausage sizzle lunch and disco this Thursday.

Fete: Thank you for all the contributions given for the class baskets. Your support is very much appreciated. **Year 5 and 6** students this week will be supporting the **Chocolate Wheel**.

Children's University Graduation

It was really fun because there are lots of activities you can do that the school provides and there are lots of places you can increase your learning. The ceremony was fun and a little scary but we all enjoyed it.

Morgan Smith Year 4

Children's University was a blast, I had so much fun! It was nerve racking and exciting at the same time, but it was so worth it! I loved how we got to wear the 'actual' graduation gown and hat. I can't wait to do it again next year!

Lyana Huynh Year 4

Children's University was great as I achieved my goals by completing the program. I really loved wearing the gown and hat on the night of graduation. I also enjoyed going to Bonython Hall as it reminded me of Harry Potter.

Macy Lapsley Year 4

Year 4 Great Travel Agency Expo

While we were waiting at are stations for the parents to come in, Bree and I were bubbly and nervous for our first customer to enter. As we saw others come in my mum, dad and Catherine walked slowly to our station. We welcomed them to then Bree and I said our speech to them. After that we booked them a ticket and told them where they were going to stay. We showed them Mozambique's fashion, weather, currency and what to pack. From there we just showed some popular tourist attractions. Finally, we gave them our business cards and then shook their hands. We said 'ola benvindo' which means thank you for coming in Portuguese (that is what language the people speak in Mozambique). Overall, I thought it was fun and a good challenge. My favourite part was giving the speech as we had practised it so many times.

Victoria Mackay

SAPSASA State Day

The girls represented North Adelaide at the State Athletics Championships. The three girls in the photo are:

Annaliese Hicks - 6th in the state for U/11 High Jump; Ella Copeland - U/10 100m, and Alessia Mazzeo- U/13 Discus

Thank you to all of those parents that have so kindly committed their time to this year's Fete.

In and around the classrooms:

Reception Local Walk

We went for a local walk on Wednesday Week 10 as part of our Maths investigation into measurement. As we walked around the streets surrounding St Dominic's we looked for tall and short things and drew and wrote about what we saw. The school chapel, a crane and a flag pole on top of a house were the tallest things we saw. The weather was also perfect for a lunch picnic and play in the park!

RECEPTION

Year 10 Work Experience 2017

During Week 10 of Term 3, Year 10 students completed a week of Work Experience at a business or workplace of their choice. A broad range of occupations were observed, with some students even travelling interstate to complete their Work Experience! The girls were exceptional ambassadors for St Dominic's and received glowing evaluations from their supervisors.

Ms Eustace

I was fortunate to be given the opportunity to travel to Queensland and complete my placement at Australia Zoo, Home of the Crocodile Hunter. Over the 4 days' placement I had made friends and was privileged to take part in what happens behind the scenes of Australia Zoo. I was also able to look into the Wildlife Hospital and meet one of the head veterinarians; this gave me an insight as to how much it takes to become a vet and also the benefits of being one. Unfortunately, I was unable to meet the Irwins as they were not at the zoo in this time but knowing that I was working where the most well-known Crocodile Hunter once roamed was a truly amazing.

Natalie Monteleone 10W

After completing my work experience placement at Rosary School, I feel inspired to consider a career in teaching. I felt especially welcome and valued my time with the students as I was able to experience what it would be like to fulfill a career in this industry and the day to day occurrences that come with the role. I feel extremely privileged to have this opportunity to support my career pathways.

Maevae Moore 10W

Think Pink!

There is one more exciting event coming up this Friday, 20 October that the SRCs have organised. October is breast cancer awareness month and we're holding a 'Pink Day' at the College to raise funds and show our support in the fight to cure breast and gynaecological cancers.

How can students show their support this Friday?

- There will be delicious pink food and drink on sale during recess and lunch, ranging in price from \$1 to \$3.
- Students in Years 7-12 **are to arrive and leave school in correct uniform**, but once at school all students have the option of changing into pink socks for the school day, along with wearing a pink ribbon in their hair.
- Students in Rec-Year 6 will receive detailed information from their class teacher about their involvement.

We encourage all students to THINK PINK and source some pink socks and a pink hair ribbon. We hope students will be prepared to raise awareness, eat some yummy pink treats and have a lot of fun! All proceeds will be donated to the Cancer Council.

Muriel Noujaim
Deputy Principal (Student Wellbeing)

"Les Misérables" Theatre Excursion

On Thursday night, the 28th of September, the Year 11 French class went to the Arts Theatre to attend a performance of the famous musical Les Misérables, performed by the Gilbert and Sullivan Society of SA. Inspired by the well-known French novel written by Victor Hugo, the show exhibited amazing vocalists, magnificent props and decoration, intricate costumes and orchestrated choreography. Between hilarious and tragic moments, the musical was a truly unforgettable experience, enjoyed by all the students as they discovered the life of Jean Val Jean in 19th century France. C'était une expérience incroyable et inoubliable! Tellement fantastique! Merci, Madame Patti-Reid.

Lise-Hélène Rabiet and Amy Pham
(Yr 11 French)

TUCKSHOP NEWS
