Dear Parents,

Term 3 2018

could certainly be a contender for the most interesting and action packed term in a school year! This week sees a party of Year 11s visit the nation's capital, the Year 12 Trial Exams begin, and on Friday the Year 2s will be leading our Chapel Mass in the presence of their grandparents. Yesterday we had a visit from two Dominican preachers from the USA who are visiting to work with students in our Dominican schools in understanding the nature of Dominic's mission and the ways in which his fidelity to the Gospel can be carried out by Dominicans young and otherwise. Do read the article written by our Year 11 Representatives who joined students from Dominican schools in Australia and New Zealand at the recent conference called, "Common Ground."

This term will also include **the orientation of our Year 8 2019 students**, as well as the **new Year 7s 2019** as they transition from Parish Primary Schools. Look to the far left column and you will see many other activities, whole school and for single classes.

Over the road on the site of our **new Year 12 Centre** work is progressing at an excellent rate. The photo shows some of the building committee viewing the interior work. One of the most "High-tech" operations was last week's installation of fibre optic cable underground over the road from our new Hill Street site to our current campus via the power of a super hose.

The Fete will help us fund this wonderful new facility

FETE 2018

I hope your daughter will say to you, her parents, that our school community needs heaps of assistance as we all bring together a successful 2018 Fete in a year when our new building is drawing on additional funds. Parents new to St. Dominic's need to be aware that your generous response to every week's appeal for help will be of enormous value in stocking the wonderful Auction and the stalls which make up our grand Fete. More than that however is our need for people to join the teams of convenors who run each stall and the wonderful Auction.

Please spend a little time reading the FETE and AUCTION overview in this week's Bulletin.

In Sympathy

Our thoughts and prayers are with the Nguyen family in the recent passing of Maria Huong Ha, grandmother of Phuong Nguyen (12G) and Mother of Mr Phu Nguyen. May she rest in peace.

Congratulations: Writers and Dancers are in the spotlight this week

Well done to Tamika Gunson (8W) and Claire Hennessy (12B) who are finalists in the *2018 South Australian English Teaching Association Young Writers' Award* with their poems "My Paradise" and "Home on High." This is an excellent achievement in a state wide competition.

Jess Hogan (12W) danced her way to **first place** in a recent International Competition for Irish Dancing – the *Australian International Oireachtas*. This is a significant achievement in a competitive field.

Sr Jillian Havey, Principal

Welcome back everyone to what is already looking like a very busy Term 3 for us all. We are all looking forward to the many different learning experiences on offer which include: *St Dominic's Day* celebrations, *Book Week*, *Science Week*, school performances, Literacy and Numeracy activities and class showcases just to name a few.

Arts Showcase: In the last week of Term 2 parents were entertained with class performances at our **Twilight Arts Showcase**. There were a range of acts showcasing the musical and dramatic abilities from our students. It is a chance to show you the content of the lessons taught. Parents were very engaged when viewing their daughters' artwork and we were grateful for the positive responses and constructive feedback. Thank you to Ella Coombe and Willow Rann from Year 6 for hosting.

Independence Day: Thank you for your support with **Independence Day**. The students have been excellent. This term Independence Day is on a Thursday.

Thunder Cup Netball: Thursday Night Netball does not begin till next week. Your daughter will receive information about her team later in the week. There will be changes to the Year 5/6 teams due to new students coming in and other students exiting. We look forward to an interesting season. We are again grateful to our parents, Raquel Pacicca, Sonya Muller, Trung Tran and Daisy Chavez who have put their hand up to coach this term.

Save the Date

Week 1: The **Year 2 Class** are very excited about celebrating *Friday Morning Mass* with their grandparents and sharing morning tea after.

Week 2: **Year 6 Class** will be very busy on Friday August 3. Up early for *Friday Morning Mass* and then *Scrapbooking Day*. Sport Uniforms are to be worn.

School photos on Wednesday of Week 2 (August 1)

Week 3: *Assembly* on Tuesday August 7 will be hosted by the **Year 5 Class**. In the Hall at 2:30pm, all welcome.

Arts Showcase

Student Reflections...

'The Art Showcase was so much fun. The Year 1 Coo Coo Cachu was great and we laughed when we did Little Bunny Foo Foo' - **Anna Year 1**

'I loved showing my mum and dad the art work I did.' - **Emilia Reception**

'I enjoyed playing the recorder and dad liked Jabberwocky. Mum loved my blob artwork.' - **Isabella L Year 4**

'I enjoyed doing the dance and I was a little bit scared but then I was good and became brave.' - **Tania Year 2**

'I enjoyed presenting our dance and singing and I liked showing my family all my artwork. They were very impressed.' - **Kaylee Year 6**

'Overall, it was a great night. I had a lot of fun singing and playing the xylophone. I enjoyed showing my artwork to my parents.' - **Bree Year 5**

'I loved it because my brother learnt something from our shadow puppet play. My parents loved our Cabbage Café musical item.' - **Caydence Year 3**

In and around the classrooms:

Reception Japan Day

At the end of Term 2, the Reception class had a 'Japan Day' to celebrate our learning about Japan.

We could come to school dressed in a kimono and some of us brought Japanese dolls or fans to share. We did some Japanese art and craft including origami, fan making and learnt some Japanese words. We definitely needed to have a growth mindset when doing origami!

We had some sushi rolls for lunch and some of us tried it for the first time.

It was a fun end to Term 2!

RECEPTION

Catholic Schools Netball Carnival

At the Netball Carnival I enjoyed playing and celebrating with my team. We went through two wins and one draw. - **An Year 6**

My team was undefeated. We played some really hard teams and we worked together and this helped us to always come out on top. - **Estella Year 5**

I really thought that the Netball Carnival was a good idea and I enjoyed the team I was in. I liked playing five games of 20-minute netball with different people in my class. - **Isabella Year 4**

Congratulations to Jess Hogan (12W)

On Common Ground Dominican Conference

During the second week of the school holidays, five Year 11 students, Maeve, Helaiza, Mackenzie, Sheila and Chrishelle traveled to Nunyara Conference Centre in Belair, Adelaide, to take part in the On Common Ground conference. Dominican schools in South Australia, including Blackfriars, Cabra and St. Mary's, along with Dominican schools from Melbourne, Sydney, the Sunshine Coast, Brisbane and even students from Auckland, gathered to celebrate our Dominican heritage. There were special guest speakers from America, Michael Petro and Patrick Spedale, as well as our own Adelaide guests including Sr. Sheila, Sr. Shirley, Sr. Bernadette, a representative from the Peramangk Indigenous people and many others. We were encouraged to be torch-bearers of our Dominican faith and use the saying indeed we do to promote our relationship and connection with God through all our actions and prayers. Another important feature that we learnt about were the Four Pillars of Dominican Spirituality, which enabled us to further grasp our Dominican connection in our everyday lives. It was truly a wonderful and insightful experience in which gave us the opportunity to connect with like-minded individuals and enhance our faith and beliefs. We thank all the teachers involved as well as Mrs. Sossi for being part of our experience.

Year 11 Pre-Literary English
 University of Adelaide English Workshop | Monday 2 July

On Monday 2 July, the Year 11 Pre-Lit class and a group of Year 10 students attended the University of Adelaide's English workshop for prospective English students in high school. This workshop provided an insight into the University's English courses through well-informed speakers such as professors, teachers and post-graduates. The speakers advised students from multiple high schools on tertiary education benefits in English courses as well as possible career pathways that can be sought after completing some of these diverse courses. Students received a bag with information booklets and food prior to entering the lecture theatre. Students were also able to listen to a theory on early interpretations of witches and feminism from a post-graduate's thesis. This educational experience has allowed us to grow as students, experience a university's supportive atmosphere, and discover new prospective career interests. We appreciated being able to attend the event and are thankful for the prospect of being active participants in large analytical discussions based around Shakespeare through his texts and personal life, poetry, in particular 'London' by William Blake, film techniques and literary techniques.
