Dear Parents,

Dominic de Guzman:

"Loved and Honoured, leading us to Greater Faith"

In early August we celebrate with thanksgiving the life of our founder St. Dominic de Guzman, born in Caluerega, Northern Spain, in 1170. After so many centuries why is it that this humble but very dynamic man has left such a mark on so many millions of Christians around the world? Each one of our students will have, by the time they have completed their education in a Dominican school, their own answer to that question. Dominic himself would say that it does not matter whether he is remembered or not, if the truth of the gospel has been preached with fidelity to the message of Jesus. We would perhaps reply: True Dominic, but you are, and have been an inspiration to so many down through the centuries. We need this inspiration; you are loved and honoured in our school which bears your name. You have come down to us as a man of God and a man of the people.

St Dominic by sculptor Silvio Apponyi 1986

Our thoughts turn often to one of Dominic's true followers, who was called from our community last term. I think we would all agree that indeed Sr. Mary Anne Holland witnessed, as Dominic did, with humility and love and determination to live the Gospel message and to spread God's word throughout her life.

This week representative staff and students will join in the celebrations of neighbouring Dominican Schools, Blackfriars Priory School, St. Mary's College and Cabra College. Parents of St Dominic's are warmly invited to join in our celebration of the Mass for the Feast of St. Dominic on next Tuesday 8th August in the Gym. Please be seated by 11.30 am. We would appreciate your reply to the invitation via this bulletin for numbers.

Change-over of staff in the Maths Faculty: It is a pleasure to record my sincere appreciation and that of students and staff to Mr David Freeman who is finishing his contract with us on this Friday. We will miss his professional and cheerful presence among us, and wish him well in all his endeavours.

Coming on to our staff from next Monday, after some years in MYP education at an International school in Switzerland, is Lauren Mazzarolo, a former student of St. Dominic's. She is looking forward to meeting her Maths students. We welcome her warmly to our community and wish her well.

Quiz Night in Black and White: Traditionally the P&F Quiz Night is one of the best social and most reasonably priced events of the year. I have heard that our Quiz Master Andrew O' Callaghan is preparing what will be a night to remember. To our new parents in Primary and Secondary please be assured that it is a great way to meet other parents. You are welcome to bring your table of 8 – 10 or join a couple smaller teams. We look forward to seeing you. Tickets are available online now: <http://stdo.ms/2tF1sj9>

In Sympathy: Our prayers and Sympathy are extended to the Provenzano Family in the recent passing of Domenica Provenzano, Mother of Vittorio, Mother in Law of Assunta and grandmother of Olivia Provenzano in 9G. Requiescat in pace.

**Final Reminder: Tonight's P&F Meeting begins at 7.00 pm
and the Fete Meeting starts promptly at 7.45.**

Principal**

Primary News

from Ms. Cate O'Leary
Primary School Coordinator

"It's not that I'm so smart;
it's just that I stay with problems longer"
Albert Einstein

We have started the term with a quick step in our stride, running actually. Last night the primary parents were treated to an evening of musical, dramatic and fine art talent. We celebrated, as a community our annual **Arts Showcase evening**. Each class presented a musical and dramatic piece and then took their parents on a tour of art work that has been completed throughout the year. It is an informal gathering but one that reflects enthusiasm, creativity and confidence our students have for the Arts. We are grateful for all the hard work put in by the teachers, support staff and students. We thank our two Year 6 students, Annaliese and Madeleine who successfully compered the evening.

Sacraments

Please keep in your prayers *Linh* and *Hannah* who will receive the Sacrament of Confirmation in their parish, St Margaret Mary's on the 4th of August and they will receive their Eucharist on the 13th of August.

Independence Day

This term Independence Day is on a **Wednesday** and we were pleased with the girls' efforts today.

Reminders:

- **Year 6 Morning Mass** in the chapel this Friday, followed by a **Scrapbooking Workshop** with family members
- Next week's **Assembly** will be hosted by the **Year 4 class**. All welcome

Parent Engagement | Book Suggestions

Have you read this book to your child? *The Waterhole*
Graeme Base has written and illustrated a range of books for primary children. One of my favourites is *The Waterhole*. On the surface, it seems like a simple counting book, useful for reading to younger children which counts a number of animals coming to drink at the waterhole. With young children, there is lots of opportunity for discussion about the different animals and their appearances.

The beauty of this book is the different layers which older children can access. Firstly, there are hidden animals in the illustrations. These animals are endangered or extinct. Each page covers a different continent or climate zone and this can be a good place to build an understanding of world geography.

This is a good book for reading with all aged children and offers lots of opportunity for developing observation skills, world knowledge and even a social conscience as the book has a message for all citizens of the earth.

In and around the classrooms:

Excursion to Adelaide Himeji Garden

We were very excited to ride on a bus to the Himeji Japanese Garden on South Terrace. It is a beautiful and peaceful garden with lots of features of religious importance to the Japanese people. We walked around and sketched what we saw. We enjoyed walking across the lake on stepping stones, listening to the waterfall and looking at the bamboo 'deer scarer' and the 'Sea of Sand'.

RECEPTION

Footsteps Dance Program

I usually don't enjoy dancing but I really liked Footsteps Dance because they made it fun for me and I could follow the routine and learn new steps. - **Teagan Yr 3**

I get embarrassed dancing in front of people but every time Footsteps come they play a song that I know and like. It was really good. - **Latika Yr 2**

I am good at dancing. I could do all the dance steps well and I liked the music they chose. - **Piper Yr 2**

AFL Clinic

Last Thursday we were involved in a football clinic. We learnt lots of skills to handball and played a game called tag. I really enjoyed the clinic and hope to get better at it because it was fantastic. - **Eve Yr 3**

Bastille Day

On Friday the Year 10 French classes celebrated a belated Bastille Day with a class-party and quiz on French general knowledge.

One of the highlights was the assembling (& subsequent demolition!) of the famous and impressive French *gâteau* called: *Le Croque en Bouche*. Steady hands and an artistic flair were needed for this. All agreed that it was *délicieux!*

Merci to Madison and Alisha Le Cong and Anna Nguyen for their artistry! *Vive la fraternité! Vive la liberté! Vive l'égalité!*

Term 2 Update

Catholic Social Teaching directs us to work for **every individual's rights to fair treatment**, their human dignity. **We all have a responsibility in offering support** and care to those in need (our neighbour). From Term 2, under the guidance of our SRCs (Student Representative Council), the school community managed to raise **\$386.70** in our coloured t-shirt (Reception - Year 6) / red ribbon (Year 7 - 12) **Stomp Out the Gap Campaign**. Money raised has been forwarded to The Cathy Freeman Foundation. From the **Butterfly Badge Sales**, **\$400** was raised and this will make a difference to Children who experience deafness.

This is **\$786.70** raised in Term 2 along with the \$7002 raised on Gala Day. To date, our job has not only involved raising much needed funds, but also education and awareness on the many issues that surround us.

A tremendous job by the young people at this College!
